

ONWARDS

Bosch today Facts and figures 2023

Technology can't solve all the world's problems – but it can make crucial contributions that help us progress together better. **Onwards.** Every day, we work to develop technology that is “Invented for life.” Technology that accompanies us, that makes life easier, and that sees change as an opportunity for progress. Whether in research, software development, or manufacturing – we have future-oriented solutions in our sights. The following facts and figures show that this is no empty phrase.

THE BOSCH GROUP

The Bosch Group is a leading global supplier of technology and services. Its operations are divided into four business sectors. As an IoT provider, Bosch offers innovative solutions for smart homes, Industry 4.0, and connected mobility.

Mobility Solutions

ROBERT BOSCH STIFTUNG

148

More than million euros funding in 2022

Not-for-profit, independent, and cross-partisan, Robert Bosch Stiftung GmbH works on the major social challenges of our age relating to healthcare, education, and global issues. For nearly 60 years, it has been living up to the mission handed down by its founder Robert Bosch by carrying on his social and societal commitment in contemporary form. To do so, the Stiftung runs its own institutions, conducts innovative projects, and works with a wide variety of partners, supporting them on an ad hoc basis. The Stiftung finances its work from the dividend it receives as a shareholder in Robert Bosch GmbH.

The company was set up in Stuttgart in 1886 by Robert Bosch (1861–1942) as “Workshop for Precision Mechanics and Electrical Engineering.” The special ownership structure of Robert Bosch GmbH guarantees the entrepreneurial freedom of the Bosch Group, making it possible for the company to plan over the long term and to undertake significant upfront investments in the safeguarding of its future. Ninety-four percent of the share capital of Robert Bosch GmbH is held by Robert Bosch Stiftung GmbH, a charitable foundation. The remaining shares are held by Robert Bosch GmbH and by a corporation owned by the Bosch family. The majority of voting rights are held by Robert Bosch Industrietreuhand KG, an industrial trust. The entrepreneurial ownership functions are carried out by the trust.
